

Thrown by the Bull

Old Man Luedecke

Thrown by the bull again.
Thrown by the bull again.
Thought I had him by the horns, but he tossed me to the wind.
Thrown by the bull again.

Did I go where I oughtn't be?
Did I go where I oughtn't be?
Y'know we're all just struggling in our way to be free...
Go where I oughtn't be.

Down in the dirt again.
Down in the dirt again.
I can see my plans unravel, but can't tell where they end.
Down in the dirt again.

This warfare will never end.
This warfare will never end.
Y'get a moment's breath of peace, but it strikes back up again.
Th'warfare will never end.

Did I go where I oughtn't be?
Did I go where I oughtn't be?
Y'know we're all just struggling in our way to be free...
Go where I oughtn't be.

Gonna sleep in a hollow log.
Gonna sleep in a hollow log.
Well ya know I just can't stay here when you treat me like a dog.
Sleep in a hollow log.

D'you wanna know what crazy is?
Do you wanna know what stupid is?
You repeat the same behaviour, hope for different ends.
Wanna know what crazy is?

Did I go where I oughtn't be?
Did I go where I oughtn't be?
Y'know we're all just struggling in our way to be free...
Go where I oughtn't be.

Would you help me stand up again?
Would you help me stand up again?
Well I cannot seem to do it; I'm just not born to win.
Help me stand up again.

Thrown by the bull again.
Thrown by the bull again.
Thrown by the bull again.
Thrown by the bull again.
