

# House Arrest

## Jimmy Eat World

I can't bend my arms and legs, please sign my cast or be without me  
And I'll see the day when you can come to my house and play with me

See you in the morning

Can't you see I'm grounded?

Underground, go crazy after all, because it's OK for kids

We all know, just plain and simple, nothing ever goes my way

And I'll see the day, and I'll kill the day, the day

And I'll see the day when you can come to my house and play with me

See you in the morning

Can't you see I'm grounded?

Underground, go crazy after all because it's OK for kids

We all know, just plain and simple, nothing ever goes my way
