Work It Out

PJ Morton

It hurts me so bad, to see you cry
And to know it's because of me
It's never my intention, my intentions are good
But I know that doesn't erase sadAnd suddenly your actions are so different
You don't even look at me the same
Do you think that maybe we could talk it over to see?
If we could get back, 'cause I believe thatWe can work it out, we can work it out
We can work it out, we can work it out
We can work it out, we can work it out
Whatever, whatever, whatever it is.
We can work it out, we can work it out
We can work it out, we can work it out
We can work it out, we can work it out
Whatever, whatever, whatever it is.
Don't give up now, before we try
All there is to try, we've got so much invested
Through all these years, just to throw it awayAnd suddenly your actions are so different
You don't even look at me the same
Do you think that maybe we could talk it over to see?
If we could get back, 'cause I believe thatWe can work it out, we can work it out
We can work it out, we can work it out
We can work it out, we can work it out
Whatever, whatever, whatever it is.
We can work it out, we can work it out
We can work it out, we can work it out
We can work it out, we can work it out
Whatever, whatever, whatever it is.
Oh, I can't even lie, can never imagine it would be another guy,
Oh that would just break my heart,
I can feel the hurt just from the thought
And anyway this is not even what you want
You're just looking for me and step it up,
And that's what I'll do, if that's what it takes for me to not lose youWe can work it out, we can work it out
We can work it out, we can work it out
We can work it out, we can work it out
Whatever, whatever, whatever it is.
We can work it out, we can work it out
We can work it out, we can work it out
We can work it out, we can work it out

Whatever, whatever, whatever it is.
