Carson Girls

Angry Samoans

Lookin' for a place to park
I think I need a fix
Any time when it's after dark
I get my female kicks
I don't go to Frisco
And I won't go to the beach
There's just one place I know where their girls just can't be beat
Carson girls, they're the cutest in the land
Carson girls, I want to take one by the hand
One's name is Deedee and the other she plays bass
All their friends now are cuter still
I'd like to kiss them in the face
I don't care about one night stands or pick-ups in a bar
All I want is the girl I love on the back seat of my car
Carson girls, they're the cutest in the land
Carson girls, I want to take one by the hand
Rrraahhh!
Scrunch back now!
So if you're thinkin' about moving west, forget about West LA
Forget about Torrance now baby 'cause Carson girls are A-OK
They don't care about breaking hearts and they don't leave guys in tears
And when they love they never stop or at least that's what I hear
Carson girls, they're the cutest in the land
Carson girls, I want to take one by the hand
Carson girls, they're the cutest in the land
Carson girls, I want to take one by the hand
