Spain

Return to Forever

Yesterday, just a photograph of yesterday
And all it's edges folded and the corners faded, sepia brown
And yet it's all I have of our past love
A postscript to it's endingBrighter days, I can see such brighter days
When every song we sang is sung again
And now we know it's for good
This time for good
And we're lovers once again
And you're near me
I can remember the rain in December
The leaves are brown on the groundIn Spain I did love and adore you
The nights filled with joy were our yesterdays
And tomorrow will bring you near meI can recall my desire, every reverie is on fire
And I got a picture of all our yesterdays
Yesterday, I can say. I got a kick everytime I see
That Spain againI can remember the rain in December
The leaves are brown on the groundOur love was a Spanish fiesta
The bright lights and songs were our joy each day
And the nights were the heat of yearning
I can recall my desire, every reverie is on fire
And I got a picture of all our yesterdays
Yesterday, I can say. I got a kick everytime I see
You gaze at me
I see moments of history
Your eyes meet mine
And they dance to the melody
And we live again, as if dreamingThe sound of our hearts beat like castanets
And forever we know their meaning
