

# Spain

## Return to Forever

Yesterday, just a photograph of yesterday  
And all it's edges folded and the corners faded, sepia brown  
And yet it's all I have of our past love  
A postscript to it's ending Brighter days, I can see such brighter days  
When every song we sang is sung again  
And now we know it's for good  
This time for good  
And we're lovers once again  
And you're near me  
I can remember the rain in December  
The leaves are brown on the ground In Spain I did love and adore you  
The nights filled with joy were our yesterdays  
And tomorrow will bring you near me I can recall my desire, every reverie is on fire  
And I got a picture of all our yesterdays  
Yesterday, I can say. I got a kick everytime I see  
That Spain again I can remember the rain in December  
The leaves are brown on the ground Our love was a Spanish fiesta  
The bright lights and songs were our joy each day  
And the nights were the heat of yearning  
I can recall my desire, every reverie is on fire  
And I got a picture of all our yesterdays  
Yesterday, I can say. I got a kick everytime I see  
You gaze at me  
I see moments of history  
Your eyes meet mine  
And they dance to the melody  
And we live again, as if dreaming The sound of our hearts beat like castanets  
And forever we know their meaning
