

Dirty World

Dope

It's the best excuse in the world to join the partyBaby, what you do to me

Your sex intoxicated me

Well, I'm addicted to the way you move

Oh, I wanna touch you'Cause it's a dirty world

Yesterday's trash teen

Hollywood's beauty queenAnd she's a dirty girl

Tattoos, cigarettes, cocaine, no regrets

Nothing's for free in the dirty worldI wanna taste you and violate you

'Cause I'm addicted to the fantasy

I know you wanna fuck me

You wanna fuck me'Cause it's a dirty world

Yesterday's trash teen

Hollywood's beauty queenAnd she's a dirty girl

Tattoos, cigarettes, cocaine, no regrets

Nothing's for free in the dirty worldRed light, heaven sent

Little miss innocent

Little miss innocentAnd she's a dirty girl

Tattoos, cigarettes, cocaine, no regrets

Nothing's for free in the dirty worldWe're living in a dirty world

And she's a dirty girl

We're living in a dirty world, dirty girl

Nothing's for free in the dirty worldDirty world, dirty girl

And she's a dirty girl

Living in a dirty world

Dirty world, dirty girlYou say you want it all

It's not impossible

You gotta take that hit

You won't get it for freeI want your body

Fuck me like an animal, like an animal'Cause she's a dirty girl

Yesterday's trash teen

Hollywood's beauty queenAnd it's a dirty world

Tattoos, cigarettes, cocaine, no regrets

Nothing's for free in the dirty worldRed light, heaven sent

Little miss innocent

Little miss innocentAnd she's a dirty girl

Tattoos, cigarettes, cocaine, no regrets

Nothing's for free in a dirty worldWe're living in a dirty world, dirty world

Yes, she's a dirty girl

We're living in a dirty world, dirty girl

Nothing's for free in the dirty world
Dirty girl, dirty world
Yes, she's a dirty girl
Living in a dirty world
Tattoos, cigarettes, cocaine
Dirty girl
