The Woods

Gold Fields

I saw a lion lying on the bed
I cut my nails and cut my hair
she scratched my back and split my head
so I rubbed her back and brushed her hairI wish we knew
I wish we knew
I wish we knew
how to play safe
I wish we knew
I wish we knew
I wish we knew
how to play safeI saw a wolf jump off the roof
he ran at me while he waved at you
somewhere in the woods I lost my shoe
so I walk through thorns to get back to youI wish we knew
I wish we knew
I wish we knew
how to play safe
I wish we knew
I wish we knew
I wish we knew
how to play safe
I wish we knew
I wish we knew
I wish we knew
how to play safe
I wish we knew
I wish we knew
I wish we knew
how to play safeI wish we knew how to play safe
I wish we knew how to play safe
