

# Get It Off (Featuring Missy Elliott)

## Monica

Yeah, I'ma set it off, c'mon now  
Yeah, oh, this that hot shit y'all set it off  
New Monica shit, c'mon You remember when I was just a young one  
And I was to afraid to quickly let you show me thangs  
Hol up, hol up, big show DJ's  
This joint so crazy put the needle back on the record  
Let's do a double take Now listen, baby I'm a dirt bag  
I don't know the different faces, I can't take it  
But I got a jeep, so you lead and I'll follow  
Lunch up in a diner, if ya act right we dine in the Bahamas Now wow, lil' momma, I'm a gangsta  
Anywhere ya wanna go I'ma take ya  
Oh, my God you caught my eyes like from 20 yards  
You so damn fine Listen, I don't eat peaches but the way you look to night  
I just might take a bite, come closer, feel that  
It's a woman and a man and a latex Out the shower, hotel flowers on the bed  
Choice of wine, white or red  
Hey, what more can I say  
Monica, Dirt Bag, A T L, M I A You remember when I was just a young one  
And I was to afraid to quickly let you show me thangs  
Not sure if I was ready for some good love, and I'm 'bout to set it off  
Can you please be gentle, 'cause I am the fragile kind  
And even though I'm ready for the move of my time  
Now buckle up yo seat's while I set it off Baby, let me set it off, do you mind it I get it off  
Set it off, set it off  
All it takes is one phone call, if you wanna get it on  
Set it off, set it off I know your anxious but please let's make a compromise  
I'm so energized, all in my neck, my back, my thighs  
Make sure the lock is safe before I set it off Baby let me set it off, do you mind it I get it off  
Set it off, set it off  
All it takes is one phone call, if you wanna get it on  
Set it off, set it off Mama said it, you can tell them Mo Said it  
And you betta not forget it, now don't sweat it  
And we can really go at it, if you let it let's protect it  
Now I bet it be good is you ready  
But the jump of heavy, my style varies  
The club down I shut it, how I do it, I set it in me Baby let me set it off, do you mind it I get it off  
Set it off, set it off  
All it takes is one phone call, if you wanna get it on  
Set it off, set it off Breakdown, here we go

I'll set it off, I'll set it off  
I'll set it off, I will set it off  
I'll set it, I'll set it, I'll set it, I'll set it
