

# Just Give Me a Reason

## KIDZ BOP Kids

Right from the start  
You were a thief you stole my heart  
And I your willing person I let you see the parts of me  
That weren't all that pretty  
And with every talk you fixed them Now you've been talking out to me Things you never say to me  
Tell me that you've had enough  
Of our love, our love Just give me a reason  
Just a little bit's enough  
Just a second we're not broken just bent  
And we can learn to love again  
It's in the stars  
It's been written in the scars on our hearts  
We're not broken just bent  
And we can learn to love again  
Im sorry I don't understand where all of this is coming from  
I thought that we were fine  
Oh we had everything  
Your head is running wild again  
My dear we still have everything  
And its all in your mind  
Yeah but this is happening  
You've been having real bad dreams  
Oh oh  
You used to lie so close to me  
Oh oh  
There's nothing more than empty sheets  
Between our love, our love, oh our love, our love Just give me a reason  
Just a little bit's enough  
Just a second we're not broken just bent  
And we can learn to love again  
It's in the stars  
It's been written in the scars on our hearts  
We're not broken just bent  
And we can learn to love again I never stopped  
You're still written in the scars on my heart  
Your not broken just bent and we can learn to love again Oh tears ducts and rust  
I'll fix it for us  
We're collecting dust but our love's enough  
You're holding it in

You're pouring a drink  
No nothing is as bad as it seems  
We'll come clean
