

# I'll Never Get Over You (Getting Over Me)

Jasmine Trias

I hear you're taking the town again  
Having a good time with all your good time friends  
I don't think that you think of me  
You're on your own now and I'm alone and free  
I know that I should get on with my life  
But a life lived without you could never be right  
As long as the stars shine down from the heavens  
As long as the rivers run to the sea  
I'll never get over you getting over me  
I try to smile so the hurt won't show  
Tell everybody I was glad to see you go  
But the tears just won't go away (won't go away)  
Loneliness found me  
Looks like it's here to stay  
I know that I oughta find someone new  
But all I find is myself always thinking of you  
As long as the stars shine down from the heavens  
As long as the rivers run to the sea  
I'll never get over you getting over me  
oh, no matter what I do  
Each night's a lifetime to live through  
I can't go on like this I need your touch  
You're the only one I'll ever love ohh (Instrumental Break)  
And as long as the stars shine down from the heavens  
As long as the rivers run to the sea  
I'll never get over you getting over me  
I'll never get over you getting over  
Never get over you getting over  
I'll never get over you getting over me.
