Perfectly (Acoustic Version)

Five Times August

You're the center of me
And you're a sinner in me
A saint in the wait, but the weight keeps bringing me downAnd I'm the beggar of you
You're taking me when you choose
My words of desire are going to set me on fire tonight'Cause how you leaned on me
And how you'd sing to me
That's what you mean to me,
And it's perfectly youAnd You're the end of my nights,
The starting thoughts at sunrise
You've got me changing but the same things are holding me back
