El Scorcho

Weezer

Goddamn you half-Japanese girls

Do it to me every time

Oh, the redhead said you shred the cello

And I'm jello, babyBut you won't talk, won't look, won't think of me

I'm the epitome of public enemy

Why you wanna go and do me like that?

Come down on the street and dance with meI'm a lot like you so please, hello, I'm here, I'm waiting I think I'd be good for you and you'd be good for meI asked you to go to the Green Day concert

You said you never heard of them

(How cool is that?)

How cool is that? So I went to your room and read your diary Watching Grunge Leg-drop New Jack through a press table

And then my heart stopped

Listening to Cio-Cio San, fall in love all over againI'm a lot like you so please, hello, I'm here, I'm waiting I think I'd be good for you and you'd be good for meHow stupid is it? I can't talk about it

I gotta sing about it and make a record of my heart

How stupid is it? Won't you gimme a minute

Just come up to me and say hello to my heartHow stupid is it? For all I know you want me too

And maybe you just don't know what to do

Or maybe you're scared to say

"I'm falling for you"I wish I could get my head out of the sand

'Cause I think we'd make a good team

And you would keep my fingernails clean

But that's just a stupid dream that I won't realize

'Cause I can't even look in your eyes without shaking and I ain't faking

I'll bring home the turkey if you bring home the baconI'm a lot like you so please, hello, I'm here, I'm waiting

I think I'd be good for you and you'd be good for meI'm a lot like you

I'm a lot like you

I'm a lot like you

And I'm waiting

I think I'd be good for you and you'd be good for me
