

Where Have You Been?

Boyzone

You took the lot and there's only dirt
You took the bet and you lost my shirt
You walked my dog and you let it run away
You took yourself on a holiday
You said you needed to get away
Then I got a postcard from the room...
Here I must have known you
For so many years but
You always seemed to slip away...
(Where have you been?)
I'm been upon the sea
(Where have you been?)
Out on the Twilight Zone
(Where have you been?)
I've been to the other side
and it's good to be back home..
(Yeah yeah yeah)
Two potatoes you won't get far
You got some air and blew yourself away..
Here I must have known you

For so many years but
You always seemed to slip away...
(Where have you been?)
Laying upon the sea
(Where have you been?)
Out on the Twilight Zone
(Where have you been?)
I've been to the other side
and it's good to be back home..
(Yeah yeah yeah)
(Where have you been?)
I've been on a rocket ride
(Where have you been?)
I've been for a million miles
(Where have you been?)
I've been to the other side
and it's good to be back home..
I said it's good to be back home..

[to fade]
