Back To The Earth

Rusted Root

Hey, hey, hey, hey
Hey, hey, hey, hey
Ah, back to the earth,
I screamed and
And no one listened to me
Back to the earth
I lived and they all followWell come on, come on, see my world, my world.
Well, come on, come on, see my world, my world,Well come on, come on, see my world, my world.
Well, come on, come on, see my world, my world,Well, I'm comin' down now too,
Write my way.
Well, come on, come on see my world,
Won't you fly, high
Well come on, come on see my world.
Well come on, come on see my world, my world, hey, hey.Write my way a write my way, my way.
Write my way, a write my way, hey, hey.
Write my way a write my way, my way.
Write my way, a write my way, hey, hey.Back to the earth, I feel it.
Back to the earth I'm fallin'
