Night to Remember

Shalamar

When you love someone, it's natural, not demanding
And that's one thing I'm proud to say I've found in you
I'm so glad we've reached an understanding
Now I know my heart is safe with you
So now my love to you, baby, I surrenderGet ready tonight
Gonna make this a night to remember
Get ready, oh, baby, tonight
Gonna make this a night to rememberCelebrations in the heart 'cause we're united
And there's nothing in the world could come between me and you
We're together, and it keeps me so excited
To think of what the power of love can do
And I'm filled with a love that's, oh, so tender, yeahGet ready tonight
Gonna make this a night to remember
Get ready, oh, baby, tonight
Gonna make this a night to remember
Get ready tonight
Gonna make this a night to remember
Get ready, oh, baby, tonight
Gonna make this a night to remember
Get ready tonight
Gonna make this a night to remember
Get ready, oh, baby, tonight
Gonna make this a night to rememberThis night you won't forget
Gonna make this a night to remember
'Cause your love I won't regret
Gonna make this a night to rememberGet ready tonight
Gonna make this a night to remember
Get ready, oh, baby, tonight
Gonna make this a night to remember
Get ready tonight
Gonna make this a night to remember
Get ready, oh, baby, tonight
Gonna make this a night to remember
Get ready tonight
Gonna make this a night to remember
Get ready, oh, baby, tonight
Gonna make this a night to remember
Get ready tonight
Gonna make this a night to remember

Get ready, oh, baby, tonight
Gonna make this a night to remember
Get ready tonight
Gonna make this a night to remember
Get ready, oh, baby, tonight
Gonna make this a night to rememberLet's make a toast to those who've helped make this occasion
They turn their back on love, and that's what drove you straight to me
To you, I make a lasting dedication
I'll show you all the love and life can be
And each day that I live I will deliver, yeahGet ready tonight
Gonna make this a night to remember
Get ready, oh, baby, tonight
Gonna make this a night to remember
