

That's All I Want From You

[Aretha Franklin](#)

That's all, that's all I want from you
That's all, that's all I want from you
That's all, that's all I want from you That's all, that's all I want is a little bit of love
That slowly grows and grows (slowly, slowly)
Not one that comes and goes, that's all I want from you
(Still) a sunny day with hopes up to the sky
A kiss and no goodbyes, that's all I want from you
Don't let me down, oh, show me that you care
Remember when you give, you always get your share
Don't let me down, I have no time to waste
Tomorrow may not come (may not come), when dreamers dream (may not come) too late A little love that
slowly grows and grows (slowly, slowly)
Not one that comes and goes, that's all I want from you Don't let me down, show me that you care
Remember when you give, you always get your share
Don't let me down, I have no time to waste
Tomorrow may not come (may not come) dreamers dream (may not come) late A little love that slowly grows
and grows (slowly, slowly)
Not one that comes and goes, that's all I want from you (Still) baby, that's all (that's all, that's all I want from
you)
Baby (that's all, that's all I want from you)
(That's all, that's all I want from you) ooh, baby
(That's all, that's all I want from you, slowly, slowly)
