

High Enough

Damn Yankees

I don't wanna hear about it anymore
It's a shame I've got to live without you anymore
Oh, there's a fire in my heart
A pounding in my brain, it's driving me crazy
We don't need to talk about it anymore
Yesterday's just a memory, can we close the door?
I just made one mistake
Oh, I didn't know what to say when you called me baby
Don't say goodnight
Say you're gonna stay forever
Oh woah, all the way
Can you take me high enough?
Can you fly me over yesterday?
Can you take me high enough?
It's never over, woah, woah, woah, woah
I was running, I was running for the door
Ooh yeah, the next thing I remember
I was running back for more, yeah, yeah
Yeah, yeah, yeah
Don't say goodnight
Say you're gonna stay forever
Oh woah, all the way
All the way, all the way, yeah, yeah
Can you take me high enough?
Won't you fly me over yesterday?
Can you take me high enough?
It's never over, yesterday's just a memory
Yesterday's just a memory
