I Am Me Once More

Zee Avi

No, I really don't think so
That you think I'd be incapable of being on my own
No, I really don't think so
That I would for a second let you back in through my door
I have spent many a nights
Even when you are by my side
I shed tears I couldn't dry
I shed tears I couldn't dry
But I should thank you for
Taking my blindfold off now
I ain't jaded no more, no more
And I take pride in being the one that said goodbye
That could only mean I am me, once more

You would turn your head the other way
So you won't have to listen to what I have to say
You assume that I needed you
But you didn't realize that I needed no one but myself
I needed no one but myself
But I should thank you for
Taking my blindfold off now
I ain't jaded no more, no more
And I take pride in being the one that said goodbye
That could only mean I am me, once more
That could only mean I am me, once more
That could only mean I am me, once more
