

Whoop

Holly Valance

Ahh ahh So here we are boy I can tell by just your look, you're hooked
You wanna get with me, I think you have mistook the time
The time is not now, not tomorrow, no, why?
Don't want another here's why? You're like a broken record
Play another tune, baby
Ahh
Those creepy lines
Never get me in the groove, baby
Ahh You're just a whoopin' it up
Whoop, whoopin' it up
I, I don't, I don't need a man to have fun
You're just a whoopin' it up
Whoop, whoopin' it up
I, I don't, I don't need a man to have fun I admire your resistance
But I am not the catch
And that's exactly how it is
That's where it is at
I am in the music
With my girls yeah it's our time
We'll be rockin' all night
(We'll be rockin' all night) You're like a broken record
Play another tune, baby
Ahh
Those creepy lines
Never get me in the groove, baby
Ahh You're just a whoopin' it up
Whoop, whoopin' it up
I, I don't, I don't need a man to have fun
You're just a whoopin' it up
Whoop, whoopin' it up
I, I don't, I don't need a man to have fun Ahh
(Whoop, whoopin' it up)
Ahh
Here we go You're like a broken record
Play another tune, baby
Ahh
Those creepy lines
Never get me in the groove, baby
Ahh You're just a whoopin' it up

Whoop, whoopin' it up
I, I don't, I don't need a man to have fun
You're just a whoopin' it up
Whoop, whoopin' it up
I, I don't, I don't need a man to have fun You're just a whoopin' it up
Whoop, whoopin' it up
I, I don't, I don't need a man to have fun
You're just a whoopin' it up
Whoop, whoopin' it up
I, I don't, I don't need a man to have fun
