

Get Bizzy

All Saints

Gotta get bizzy cos I know I'm down
Gotta get bizzy cos I know I'm down
Gotta, gotta, get bizzy, get bizzy cos I know, cos I know I'm down
Gotta get bizzy cos I know I'm down
Gotta get bizzy cos I know I'm down
Gotta, gotta, get bizzy, get bizzy cos I know, cos I know I'm down It's not unusual to get bizzy all night
It's not unusual to show ya how to do it right
It's not unusual to wanna play games
It's not unusual to do it in the pouring rain I gotta get bizzy, gotta get in line
Take ya to my room and do it all night
I gotta get down and show you how to flow
Listen carefully so next time you know
Grab me by the waist as we fall to the floor
Do it like a man, give it to me hardcore
No-one else around just me and you
Don't be shy boy do what you gotta do
And get bizzy Gotta get bizzy cos I know I'm down (I gotta get)
Gotta get bizzy cos I know I'm down (I gotta get)
I gotta get, gotta get bizzy cos I know I'm down
Gotta get bizzy cos I know I'm down (I gotta get)
Gotta get bizzy cos I know I'm down (I gotta get)
I gotta get, gotta get bizzy cos I know I'm down It's not unusual to get bizzy every day
It will be cool if you knew how to stand the pace
It's not unusual to want 24 hour full pace
Day and night, night and day, day and night 24/7, 365 babe Do it on the floor, do it on the stream, do it in the
bed and the love is still the same
Do it in an elevator when no-one's around, do it anywhere cos u know I'm down
Put my legs round your neck as you struggle to breathe,
It's not unusual, put your hand between my knees
Take a short break, sip on some champagne,
But not for too long as we start all over again Gotta get bizzy cos I know I'm down (I gotta get)
Gotta get bizzy cos I know I'm down (I gotta get)
I gotta get, gotta get bizzy cos I know I'm down
Gotta get bizzy cos I know I'm down (I gotta get)
Gotta get bizzy cos I know I'm down (I gotta get)
I gotta get, gotta get bizzy cos I know I'm down [rap] Gotta get bizzy cos I know I'm down (I gotta get)
Gotta get bizzy cos I know I'm down (I gotta get)
I gotta get, gotta get bizzy cos I know I'm down
Gotta get bizzy cos I know I'm down (I gotta get)

Gotta get bizzzy cos I know I'm down (I gotta get)
I gotta get, gotta get bizzzy cos I know I'm down
Gotta get bizzzy cos I know I'm down (I gotta get)
Gotta get bizzzy cos I know I'm down (I gotta get)
I gotta get, gotta get bizzzy cos I know I'm down
Gotta get bizzzy cos I know I'm down (I gotta get)
Gotta get bizzzy cos I know I'm down (I gotta get)
I gotta get, gotta get bizzzy cos I know I'm down
