Shadows We've Become

The Rambling Wheels

Crimson moon is in my sights
Warning me to turn back
I'm gonna miss your loving
Black cat struts across my path
I'm not superstitious
But I'm losing you
I must be possessed to have you in my heart
When you're leaving meMy loneliness shuts me down
I can't get you out, no
Home ain't home
Home is cold as stone
Oh Lucy has flown away
I grow weaker by the hour
I'm left holding myself
Yes I need your loving
Now we deal with no feelings
We feel through a screen
Shadows we've becomeMy loneliness shuts me down
And I can't get you out, no
Still there's to many days to wait
And you're so many miles away
You're so far away
My loneliness shuts me down
Cause I can't hold you close, no I can'tShadows we've become
My loneliness shuts me down
And I can't get you out, no
Still there's to many days to wait
And you're so many miles away
You're so far away
And it's too long to wait to see your pretty face
Yes too long to wait to see your pretty face, I can't wait
My loneliness shuts me down
Cause I can't hold you close, no I can't
