I don't believe in the apocalypse.
I don't believe in the end of time.
I don't believe in the solar eclipse.
I don't believe in valentines.I don't believe I've asked your opinion.
I don't believe I've searched the truth.
I am not looking for a bargain.
All I really believe in is you.I don't believe in everything I've read.
I don't believe in promises.
I don't believe in compromising
My own beliefs inside my head.I don't believe I've asked your opinion.
I don't believe I've searched the truth.
I am not looking for a bargain.
All I really believe in is you.(repeat)
