I Want to Know What Love Is

Gloria Gaynor

I gotta take a little time
A little time to think things over
I better read between the lines
In case I need it when Im olderNow this mountain I must climb
Feels like a world upon my shoulders
I through the clouds I see love shine
It keeps me warm as life grows colderIn my life theres been heartache and pain
I dont know if I can face it again
Cant stop now, Ive traveled so far
To change this lonely lifeI wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show meIm gonna take a little time
A little time to look around me
Ive got nowhere left to hide
It looks like love has finally found meIn my life theres been heartache and pain
I dont know if I can face it again
I cant stop now, Ive traveled so far
To change this lonely lifeI wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show meI wanna know what love is
I want you to show me
And I wanna feel, I want to feel what love is
And I know, I know you can show meLets talk about love
I wanna know what love is, the love that you feel inside
I want you to show me, and Im feeling so much love
I wanna feel what love is, no, you just cannot hide
I know you can show me, yeahI wanna know what love is, lets talk about love
I want you to show me, I wanna feel it too
I wanna feel what love is, I want to feel it too
And I know and I know, I know you can show me
Show me love is real, yeah
I wanna know what love is
