Oh what a hell of a place,
what a hell of a place.
Oh what a hell of a place,
what a hell of a place.
Oh what a hell of a place,
what a hell of a place.
Oh what a hell of a place,
what a hell of a place.
Oh what a hell of a place,
what a hell of a place.
Oh what a hell of a place,
what a hell of a place.
