

Children of the Grave (Black Sabbath cover)

[Rob Zombie](#)

Revolution in their minds - the children start to march
Against the world in which they have to live
And all the hate that's in their hearts
They're tired of being pushed around
And told just what to do
They'll fight the world until they've won
And hell comes flowing through
In los angeles, 1969, they shot, stabbed, and bludgeoned nine people to
Death committing one of the most heinous crimes in history. Children of tomorrow live in the tears that fall today
Will the sun rise up tomorrow bringing peace in any way?
Must the world live in the shadow of atomic fear?
Can they win the fight for peace or will they disappear?
In los angeles, 1969, they shot, stabbed, and bludgeoned
nine people to
Death committing one of the most heinous crimes in history.
