

The Story

[Brandi Carlile](#)

All of these lines across my face
Tell you the story of who I am
So many stories of where I've been
And how I got to where I am But these stories don't mean anything
When you've got no one to tell them to
It's true, I was made for you I climbed across the mountaintops
swam all across the ocean blue
I crossed all the lines and I broke all the rules
But baby I broke them all for you Oh because even when I was flat broke
You made me feel like a million bucks
You do, I was made for you You see the smile that's on my mouth
It's hiding the words that don't come out
And all of my friends who think that I'm blessed
They don't know my head is a mess No they don't know who I really am
And they don't know what I've been through
Like you do, and I was made for you All of these lines across my face
Tell you the story of who I am
So many stories of where I've been
And how I got to where I am Oh but these stories don't mean anything
When you've got no one to tell them to
It's true, I was made for you
Oh yeah, well it's true that I was made for you
