Traditional part

When I walk in, it makes me smile
It makes my life worth while,
And Iâ€™m proud to say, that youâ€™re the reasons why
That Iâ€™m here today, then I broke down and I prayed,
And I prayed everyday, Itâ€™s okay baby itâ€™s alright,
You donâ€™t have to cry, I am here to stay,
And keep the promise that I make,
That I made everyday,

Chorus

And I wonder and I wonder, why youâ€™re here with meâ€
And I wonder and I wonder, if itâ€™s meant to beâ€
And I wonder and I wonder, will just wait and seeâ€
