My Own Worst Enemy

Sebastian Bach

Another place, another face
Forgetting who I am
I'm screaming out at them
This time it's more than insecurity
A blackout today
Just push me awaySo who am I?
And is it really just temporary
Or permanent?
Look awaySo what's the news on the situation?
Am I running from myself?
A blinding light, I can't see
What is real inside of me
What's the truth I can't believe
I'm my own worst enemy
What could I do?
What could I say?
That wouldn't matter anything, anyway
I see the way it works
A pattern never lost
I try to make you see
But you wouldn't change a thingSo who am I?
And is it really just temporary
Or permanent?
Look away
Deny myself againSo what's the use of the situation?
Am I running from myself?
A blinding light, I can't see
What is real inside of me
What's the truth I can't believe
I'm my own worst enemy
My enemySo what's the use of the situation?
Am I running from myself?
A blinding light, I can't see
What is real inside of me
What's the truth I can't believe
I'm my own worst enemy
