

All For Nothing

Despised Icon

Getting better was just an option I didn't believe in.

Fuck no!

Until you came and lured me with a blurred vision of hope, my impenetrable mind was practically to be declared dead.

For so many months, I wandered in the cold abyss of your confusion. I anticipated that when I came back you'd finally be mine.

But every time, you disappointed me with distant silence.

I saw someone for whom I would have kept my pledge.

La montagne russe que je suis n'est que le fruit de ton indécision. L'homme qui tenait à frenaître est mort naïe.

De ses cendres, la calamité jaillira pour te tourmenter.

Je t'ai abandonné.

All for nothing.

Getting better was just an option I didn't believe in.

Fuck no!

Until you came and lured me with a blurred vision of hope, my impenetrable mind was practically to be declared dead.

For so many months, I wandered in the cold abyss of your confusion.
