

Scumbag

Jobriath

You come around every now and then
Your clothes are different but you're still the same
 Why else would you come here?
Scumbag on a mission You're telling me that it's been a while
 Shit-eating grin and a brand new lie
 Somebody let you come here
Scumbag with permission Never thought I'd see
 The likes of you 'round this place
 What's the special occasion?
Did you run out of friends? Here you are, comin' round again
 And things are different but you still pretend
 You've got a reason to come here
Scumbag with ambition And now you're telling me that things have changed
 And you'll be leavin' in a couple of days
 You're gonna change the world someday
Scumbag with a vision It must be nice to know
 You've got it all figured out
 But from where I'm sittin'
It's the same thing again and again You never stop to think
 Before you open up your mouth
 'Cause every time you do
It's the same thing again and again
