Things Like You

Sanctus Real

Loving things like you has wrecked my life, made me cry
Loving things like you has made me lose my mind
And I can't figure out why I've been hanging on
To all these things I've tried to leave behind me for so longAnd I think it's time to find a better way to live my life
Than loving all those things that keep me wrapped so tight'Cause everyone wants everyone else's everything
Sometimes the more we have the less we really gain
And I'm tired of life and all that money has to buy
Get out of my heart, out of my mind, leaving you behind
Get out of my heart, out of my mind, leaving you behindLoving things like you has left me bruised, black and blue
Loving things like you has made me so confused
And I can't figure out what I've been waiting on
God, I can't be living life for things I know are wrongNow I think it's time to write a better chapter in my life
Leaving all those things that keep me wrapped so tight'Cause everyone wants everyone else's everything
Sometimes the more we have the less we really gain
And I'm tired of life and all that money has to buy
Get out of my heart, out of my mind, leaving you behindWhy are we obsessed with possessions here on earth?
Go and take a look at the flowers and the birds
God is always taking care of nature's every need
And how much more important in the Father's eyes are we?
I said, "How much more important in the Father's eyes are we?"
He sees everythingEveryone wants everyone else's everything
Sometimes the more we have the less we really gain
And I'm tired of life and all that money has to buy
Get you out of my heart, out of my mind, leaving you behind
Get you out of my heart, out of my mind, leaving you behind
Out of my heart, out of my mind, leaving you behind
