

# Feelin Way too Damn Good

## Nickelback

I missed you so much that I begged you to fly and see me  
You must've broke down 'cause you finally said that you would  
But now that you're here I just feel like I'm constantly dreaming  
Well something's gotta go wrong 'cause I'm feeling way too damn good  
For 48 hours I don't think that we left  
my hotel room  
Should show you the sights 'cause I'm sure that I said that I would  
We gotta make love just one last time in the shower  
Well something's gotta go wrong 'cause I'm feelin' way too damn good  
And it's like every time I turn around, I  
fall in love  
And find my heart face down and where it lands is where it should  
This time it's like the two of us should probably start to fight  
'Cause something's gotta go wrong  
'Cause I'm feeling way too damn good, feelin' way too damn good  
Sometimes I think best if left in the memory  
It's better kept inside than left for good  
Looking back each time they tried to tell me  
Well something's gotta go wrong 'cause I'm feelin' way too damn good  
And it's like every time I turn around I  
fall in love  
And find my heart face down and where it lands is where it should  
This time it's like the two of us should probably start to fight  
'Cause something's gotta go wrong  
'Cause I'm feeling way too damn good, feelin' way too damn good  
I missed you so much that I begged you to  
fly and see me  
You must've broke down 'cause you finally said that you would  
But now that you're here I just feel like I'm constantly dreaming  
Well something's gotta go wrong 'cause I'm feeling way too damn good  
And it's like every time I turn around I  
fall in love  
And find my heart face down and where it lands is where it should  
This time it's like the two of us should probably start to fight  
"Cause something's gotta go wrong  
'Cause I'm feeling way too damn good, feelin' way too damn good  
I missed you so much that I begged you to  
fly and see me  
Feelin' way too damn good  
I missed you so much that I begged you to fly and see me
