

# Womb Full of Scabs

## Disgorge

Infected carcass  
Esophagus full of pus  
Entrails remain  
As I watch you bleed onBlistering fetus  
Womb full of scabs  
Regurgitate the placentaRotted flesh I eat  
As I fuck a bloody stump  
Limbless you lie cold  
I form an erectionI crave rotting maggots  
Bodies mangled  
Lying on me  
MutilatedInfected carcass  
Esophagus full of pus  
Entrails remain as I watch you bleed onI crave rotting maggots
