

Time Of Your Life (Prod by Ned Cameron) [No DJ]

Kid Ink

I said
You ain't gotta, you ain't gotta leave
My bad I know this ain't usually your scene
But don't worry 'bout it girl just be yourself
And I swear I ain't gon' I ain't gone say a thing
Gon' just have the time of your life
Time of your life let go (go, go, go, go, go)
Have the time of your life
Time of your life, let it show Yeah
Let me show you how we doing
Know I came through deeper than the sewer
Yeah I got my whole crew and you could be anywhere
All around the world but if you ain't f***in' here
Then I don't know what you doing
I see, you ain't gotta you ain't gotta drink
'Cause we by my table I got everything you need
Bottles kush blowin' like a whistling referee
Take a shot don't be afraid
Girl just put on for your team
Go 'head show me what you got
Take a ride back it up
And baby park it in my lap
Said you don't even need a cup
Take a bottle of Ciroc
And when you hear me yell cut
That mean take it from the top now I said
You ain't gotta, you ain't gotta leave
My bad I know this ain't usually your scene
But don't worry 'bout it girl just be yourself
And I swear I ain't gon' I ain't gone say a thing
Gon' just have the time of your life
Time of your life let go (go, go, go, go, go)
Have the time of your life
Time of your life, let it show Nah it ain't no reason to be insecure
You sick of the same thing baby here's a cure
Just take a lane change welcome to the fast life
A** like that bring it back like the past life
Yeah, I said you ain't gotta you ain't gotta be so shy
We'll be up all night no we never out of time

Feel like ain't nobody see me outta sight
Outta mind gimme twenty-five to life being fly
It's a crime yeah, I'm lyin' I don't wanna go
Nowhere but the sky feeling high as I wanna so
Come and take a ride the alumni honor roll
And I can put it down take you down baby on the low I said
You ain't gotta, you ain't gotta leave
My bad I know this ain't usually your scene
But don't worry 'bout it girl just be yourself
And I swear I ain't gon' I ain't gone say a thing
Gon' just have the time of your life
Time of your life let go (go, go, go, go, go)
Have the time of your life
Time of your life, let it show Let it show
Let it show
Let it show
Let it show
I said
You ain't gotta, you ain't gotta leave
My bad I know this ain't usually your scene
But don't worry 'bout it girl just be yourself
And I swear I ain't gon' I ain't gone say a thing
Gon' just have the time of your life
Time of your life let go (go, go, go, go, go)
Have the time of your life
