Not Enough

NYVES

Time will slowly take me away
I know my days are fading
So what do I say
You're the only one I see
Makes my hollow heart bleed
It's never enough
I'm never enough
We're just an illusion of our love
But here are we still
And dying to feel
So where is the consolation
(I Swear)

Of all the shadows in the room, love
You are the one, you are the one I was thinking of
Of all the trouble in my heart, No
You are the one, you are the one I was thinking of

It's Not Enough
It's Not Enough
It's Not Enough
It's Not Enough
It's Not Enough
It's Not Enough
It's Not Enough
It's Not Enough

Come and find me after the end
You know that I'll be Waiting
Suffocating

Of all the shadows in the room, love
You are the one, you are the one I was thinking of
Of all the trouble in my heart, No
You are the one, you are the one I was thinking of

It's Not Enough
It's Not Enough
It's Not Enough
It's Not Enough

It's Not Enough
It's Not Enough
It's Not Enough
It's Not Enough

But here are we still
And dying to feel
So where is the consolation
(I Swear)

Of all the shadows in the room, love
You are the one, you are the one I was thinking of
Of all the trouble in my heart, No
You are the one, you are the one I was thinking of

It's Not Enough
It's Not Enough
It's Not Enough
It's Not Enough
It's Not Enough
It's Not Enough
It's Not Enough
It's Not Enough

You are the one, you are the one I was thinking of
