You

Janet Jackson

Here I am in your face
Tellin truths and not your old lies
Seems to me that you care
And I know that you're runnin out of timeSee ya can't get away
I'll be here forever and again
Whisperin in your ear
Do believe cause you know you cannot winSpent most your life pretending not to be
The one you are but who you choose to see
Learned to survive in your fictitious world
Does what they think of you determine your worth?If special's what you feel when you're with them
Taken away you feel 'less than' again
That's rightYou gotta mean what you say
You gotta say what you mean
Tryin to please everyone
Sacrifice your own needs
Check in the mirror my friend
No lies will be told then
Pointin the finger again
You can't blame nobody but youYou gotta mean what you say
You gotta say what you mean
Tryin to please everyone
Sacrifice your own needs
Check in the mirror my friend
No lies will be told then
Pointin the finger again
You can't blame nobody but youThere's a feeling inside
No you cannot change it right away
Gotta make a try
And with time it'll start to go awayI'll be here when you need
That one to sit and cry to
Cause I'm the you you forgot
The only one you know you cannot lie toBitter you'll be if you don't change your ways
When you hate you you hate everyone that dayUnleash this scared child that you've grown into
You cannot run for you can't hide from you
Can't hide from you
That's rightYou gotta mean what you say
You gotta say what you mean
Tryin to please everyone
Sacrifice your own needs

Check in the mirror my friend
No lies will be told then
Pointin the finger again
You can't blame nobody but youYou gotta mean what you say
You gotta say what you mean
Tryin to please everyone
Sacrifice your own needs
Check in the mirror my friend
No lies will be told then
Pointin the finger again
You can't blame nobody but youYou gotta mean what you say
You gotta say what you mean
Tryin to please everyone
Sacrifice your own needs
Check in the mirror my friend
No lies will be told then
Pointin the finger again
You can't blame nobody but youC-N-E-I-C-S-N-O-C
(you can't blame nobody but)
C-N-E-I-C-S-N-O-C
(you can't blame nobody but you)
C-N-E-I-C-S-N-O-C
(you can't blame nobody)
C-N-E-I-C-S-N-O-C
(aw that's right)You gotta mean what you say
You gotta say what you mean
Tryin to please everyone
Sacrifice your own needs
Check in the mirror my friend
No lies will be told then
Pointin the finger again
You can't blame nobody but youYou gotta mean what you say
You gotta say what you mean
Tryin to please everyone
Sacrifice your own needs
Check in the mirror my friend
No lies will be told then
Pointin the finger again
You can't blame nobody but you
