Like Lust

MOVEMENT

Could you come in over
When it feels like lust?!
Could you come in over
When it feels like lust?!
Could you come in over
When it feels like lust?!
Could you come in over
When it feels like lust?!
And it feels feels feels

Could you come in over
When it feels like lust?!
Could you come in over
When it feels like lust?!
Could you come in over
When it feels like lust?!
Could you come in over
When it feels like lust?!

Could you come in over
When it feels like lust?!
Could you come in over
When it feels like lust?!
Could you come in over
When it feels like lust?!
Could you come in over
When it feels like lust?!
