Latest Flame

Misfits

A very old friend came by today
'Cause he was telling everyone in town
Of the love that he just found
And Marie's the name of his latest flame
He talked and talked and I heard him say
That she had the longest, blackest hair
Prettiest green eyes anywhere
And Marie's the name of his latest flame
Though I smiled the tears inside were burning
Well I wished him luck and then he said goodbye
He was gone but still his words kept returning
What else was there for me to do but cry
Would you believe that yesterday
This girl was in my arms and swore to me
She'd be mine eternally
And Marie's the name of his latest flame
Though I smiled the tears inside were burning
Well I wished him luck and then he said goodbye
He was gone but still his words kept returning
What else was there for me to do but cry
Would you believe that yesterday
This girl was in my arms and swore to me
She'd be mine eternally
And Marie's the name of his latest flame
And Marie's the name of his latest flame
And Marie's the name of his latest flame
And Marie's the name of his latest flame
