Pussy nigga what you doin'
(All day I dream about)
(All day I dream about sex)
The way you move your sexy groove
I've got my mind all over you
(All day I dream about)
(All day I dream about sex)
You say you were so sick of it
I'm tired of jackin' off 'cause you ain't there
65 Chevrolet Ipmala peachy cream
Cruisin' down the street like two fingers
'Cause the ivory is clean
Talkin' 'bout meetin' at the MC room
On the inside of the ship
Not a honey dip to hunt on
'Cause she mobile than a grip
Or the blue man group
Caught out on the Vegas strip
Tell em' a good game, Juju pimpin'
Give em' to my nigga dime legit
Boss lips, legs, arms, necks
Hip dips, hair net, mo' stretch
It's a camel toe and thats fo' sho
My brain is on one track
Like Mary, Mary toss for crackle like a rock star does for smack
None of that but the female genatalia's where it's at
I'm a man and I demand a wo-man for that act
Personal preference 'cause I use the law of nature as a reference
No I don't ever recall seein' a man turn up pregnant
But that's just me from them female fantasies frolic freely
In my cock pit, every 30 some seconds I can't stop it
(All day I dream about)
(All day I dream about sex)
The way you move your sexy groove
I've got my mind all over you
(All day I dream about)
(All day I dream about sex)
You say you were so sick of it
I'm tired of jackin' off 'cause you ain't there

Killer kill from Adamsville and in a Bonneville I chill
Heffers call me Black-n-Decker, I don't screw them hoes I drill
I've been cuttin' cute lil' coochies since before the record deal
Catch me daydreamin' 'bout them, thick, medium, or slim
Doctors call the thing vagina, in the hood we call it trim
White boys call it snatch, Puerto Ricans call it chocha
Nathaniel likes his white, I like mine dark as cola
It's the first thing on my mind in the morn' when I roll over
All men young or old in the end it's what we after
Even my grandpappy's happy, he got prescribed viagra
{Grandaddy, grandaddy
What's up? What's up? It's me
Hey let me get about three of them blue diamonds
I promise I got you some tomorrow}
(All day I dream about)
(All day I dream about sex)
The way you move your sexy groove
I've got my mind all over you
(All day I dream about)
(All day I dream about sex)
You say you were so sick of it
I'm tired of jackin' off 'cause you ain't there
When I drill, I don't spill, even if she's on the pill
Keep my weapon covered, concealed, and in a shield
'Cause I don't need that AIDS
A D and an a missin' out my Adidas
Plus, we don't need no DNA mixin' between us
We just need to keep this thing friendly and hush hush
On the down low, like R. Kelly and youngsters
But over eighteen only 'cause baby I'm no perv
From the tour bus to the lobby, elevator to the room
We can jump each others bones but there's no jumpin' brooms
{Buffoon you are too consumed in the womb
It is too early for you to jump the broom, boom}
(All day I dream about)
(All day I dream about sex)
The way you move your sexy groove
I've got my mind all over you
(All day I dream about)
(All day I dream about sex)
You say you were so sick of it
I'm tired of jackin' off 'cause you ain't there
