Tired of Running (Feat. Akon)

Snoop Lion

I'm sittin on my porch watchin' the law
As they ride past in they patrol cars
So tell me why I feel like the enemy
They supposed to be here protectin' me
I might have went too far
Helpin' to contribute to makin' their job hard
Servin' fiends like these people ain't no kin to me
I can't believe I'm out here killin' my community
If you knew how far I came (far I came)
From where I am and where I used to be (where I used to be)
I don't want it, you can tell by the look at me
This gangsta life ain't no longer in meAnd I'm tired of the runnin', tired of the runnin'
Tired of the runnin', runnin' from the law
Baby you gotta believe me
Said I'm tired of the runnin', tired of the runnin'
Tired of the runnin', runnin' from the law
Baby ya gotta believe meI know there's things I could've changed girl
I know there's things I could've done a lot better
Instead I'm in the streets tryin' to make that cheddar
Thinkin' in my mind that you gon' be there forever
I know I could've let it all go (let it all go)
But I was thinkin' it would make life better (make life better)
Instead I'm sittin' in this cell writin' this letter
Thought I wouldn't get caught cause I was way too clever
I learned there's no one to catch ya when ya fallin'
And they'll be no one to hear you when you're callin'
Do you know what it's like to wake up in the mornin'
While you're starvin' you're hearin' bugs crawlin'
Reminiscin' on them days you was walkin'
With pretty women on your arm while you're flossin'
Thankful that I didn't end up in a coffin
Somethin' we see too oftenAnd I'm tired of the runnin', tired of the runnin'
Tired of the runnin', runnin' from the law
Baby you gotta believe me
Said I'm tired of the runnin', tired of the runnin'
Tired of the runnin', runnin' from the law
Baby ya gotta believe meSaid I'm tired
Said I'm tired
I said I'm tired

So tired, yeahAnd I'm tired of the runnin', tired of the runnin'
Tired of the runnin', runnin' from the law
Baby you gotta believe me
Said I'm tired of the runnin', tired of the runnin'
Tired of the runnin', runnin' from the law
Baby ya gotta believe meSaid I'm tired
