Cry Little Sister

Bauhaus

The last fire will rise
Behind those eyes
Black house will rock
Blind boys don't lie
Immortal fear
That voice so clear
Through broken walls
That scream I hear

[Chorus]
Cry little sister (thou shall not fall)
Come come to your brother (thou shall not die)
Unchain me sister (thou shall not fear)
Love is with your brother (thou shall not kill)

Blue masquerade
Strangers look up
When will they learn this loneliness?
Temptation heat
Beats like a drum
Deep in your veins

[Chorus]

My Shangri-la
I cant forget
Why you were mine
I need you now

[Chorus: x3]
