Heavenly
oh
I'm feeling heavenly
Oh
I'm feeling heavenly
when I'm with you
It feels so right
heavenly
I've gotta hold and squeeze you tight.
Heavenly
oh
I'm feeling heavenlyOh
I'm feeling heavenly
when I see your eyes shining bright
Heavenly
oh girl
I need your love tonight.Heavenly
oh
I'm feeling heavenlyOh
I'm feeling heavenly
heavenly
na na na na
heavenly.Oh
you think it will be allright to stay all night
What would the neighbours say if I'm here in the morning light.
Heavenly
oh
I'm feeling heavenly
Oh
I'm feeling heavenly and now it's time
To say goodbye
heavenly
just stay for a little while.
