

Little Girl Blue

Janis Joplin

Sit there, hmm, count your fingers
What else, what else is there to do?
Ooh and I know how you feel
I know you feel that you're through
Oh wah wah ahh sit there, hmm, count
Ah, count your little fingers
My unhappy, oh little girl, little girl blue, yeah Oh sit there, oh count those raindrops
Oh, feel em falling down
Oh honey all around you
Honey don't you know it's time
I feel it's time
Somebody told you
'Cause you got to know That all you ever gonna have to count on
Or gonna wanna lean on
It's gonna feel just like
those raindrops do
When they're falling down
Honey, all around you
Oh, I know you're unhappy Oh sit there, oh go on, go on and count your fingers
I don't know what else, what else
Honey have you got to do
And I know how you feel
And I know you ain't got no reason to go on
And I know you feel that you must be through Oh honey, go on and sit right back down
I want you to count, oh count your fingers
Ah my unhappy, my unlucky
And my little, oh girl blue
I know you're unhappy
Ooh ah, honey I know
Baby I know just how you feel
