

# Words (Julian Beeston Remix)

## Missing Persons

Do you hear me?  
Do you care?  
Do you hear me?  
Do you care? My lips are moving and the sound's coming out  
The words are audible but I have my doubts  
That you realize what has been said  
You look at me as if you're in a daze  
It's like the feeling at the end of the page  
When you realize you don't know what you just read What are words for  
When no one listens anymore  
What are words for  
When no one listens  
What are words for  
When no one listens  
There's no use talking at all I might as well go up and talk to a wall  
'Cause all the words are having no effect at all  
It's a funny thing, I say to myself  
Something has to happen to change the direction  
What little filters though is giving you the wrong impression  
It's a sorry state, am I all alone? What are words for  
When no one listens anymore  
What are words for  
When no one listens  
What are words for  
When no one listens  
There's no use talking at all Do you hear me?  
Do you care?  
Do you hear me?  
Do you care? Let me get by over your dead body  
Hope to see you soon, when will I know?  
Doors three feet wide with no locks open  
Walking always backwards in the faces of strangers  
Time could be my friend  
But it's less than nowhere now, it's less than nowhere now  
It's less than nowhere now, nowhere now Pursue it any further and another thing you'll find  
Not only are they deaf and dumb they could be going blind  
No one notices, I think I'll dye my hair blue  
Media overload bombarding you with action  
It's getting near impossible to cause distraction

Someone answer me before I pull the plug  
What are words for  
When no one listens anymore  
What are words for  
When no one listens  
What are words for  
When no one listens  
There's no use talking at all  
What are words for  
When no one listens anymore  
What are words for  
When no one listens  
What are words for  
When no one listens  
There's no use talking at all  
Do you hear me?  
Do you care?  
Do you hear me?  
Do you care?  
(Tell me what are words for)  
Do you hear me?  
(Tell me what are words for)  
Do you care?  
(Tell me what are words for)  
Do you hear me?  
(Tell me what are words for)  
Do you care?  
(Tell me what are words for)  
Do you hear me?  
(Tell me what are words for)  
Do you care?  
(Tell me what are words for)  
Do you hear me?  
(Tell me what are words for)  
Do you care?  
(Tell me what are words for)
