If You Fall

Steve Earle

I saw you lookin' at that girl like that
Yeah, I saw her too, boy, I know right where you're at
But you better be careful 'cause she ain't the kind
You're gonna forget, how much you wanna bet?If you fall in love then nothin's gonna be the same
You walk around callin' out her name
You throw your heart down like a glove
Push comes to shove, you only end up lonely and blue
Whenever she's away from you, if you fall in loveYou gotta hear me talkin' to ya 'cause I'm your best friend
And I'd hate to see you goin' where I've already been
'Cause I've been in love before and I won't ever be
The same again, you better listen to me, JimIf you fall in love then nothin's gonna be the same
You walk around callin' out her name
You throw your heart down like a glove
Push comes to shove, you only end up lonely and blue
Whenever she's away from you, if you fall in loveThere she is again, she sure looks fine
And boy, I know you're walkin' on a very thin line
So I guess it's up to me 'cause your heart's
Not as strong as mine, well, just this one timeIf you fall in love then nothin's gonna be the same
You walk around callin' out her name
You throw your heart down like a glove
Push comes to shove, you only end up lonely and blue
Whenever she's away from you, if you fall in loveIf you fall in love, if you fall in love
