

Saddle Tramp

[Marty Robbins](#)

They call me a drifter, they say I'm no good
I'll never amount to a thing
Well, I may be a drifter and I may be no good
There's joy in this song that I sing Saddle tramp, saddle tramp
I'm as free as the breeze and I ride where I please
Saddle tramp, saddle tramp At night, I will rest 'neath a blanket of blue
Doubt if I ever will change
I might even dream of a lady I knew
Might even whisper her name Saddle tramp, saddle tramp
I'm as free as the breeze and I ride where I please
Saddle tramp I might even wind up in Idaho
And visit a cute little miss
A sweet little someone I used to know
And I might even stop long enough for a kiss Saddle tramp, saddle tramp
I'm as free as the breeze and I ride where I please
Saddle tramp, saddle tramp Might even ride back through Phoenix someday
Might even stop for awhile
But branded, no never, I'll not be tied down
Trapped by a fair lady's smile Saddle tramp, saddle tramp
I'm as free as the breeze and I ride where I please
Saddle tramp
