Another Runaway Song

Reggie and the Full Effect

Two weeks we were lovers
Now you feel left behind
Shall we be like others?
Don't think it's wastin' timeNow, we'll be good
You knew we would
I still call you all mineYou should be my other
Tell me that things are fine
Treat me like no other
This time I'll make you mineNow we'll be good
You knew we would
I'll call you mineI'd rather run away with you
Than spend another day at home
Baby, I can feel the pain, girl
Spending all of you nights aloneAnd now that we can play
Never ever picking up the phone
Then we can run and say
That we have let the night become our homeYou don't think that I can be
Watch you running out of me
I wish you'd never lock your doorTwo weeks we were lovers
Now you feel left behind
Shall we be like others?
Don't think it's wastin' timeNow we'll be good
You knew we would
I'll still call you all mineI'd rather run away with you
And never spend another day at home
Baby, I can feel the pain, girl
With you spending all your nights aloneI tell you, we can hide away
Never picking up the phone
And we can run and play, girl
And let the night become our home
