Farewell and Goodnight

Birdy

Goodnight, to every little hour that you sleep tight
May it hold you through the winter of a long night
And keep you from the loneliness of yourselfHeart strung is your heart frayed and empty
Cause it's hard luck,
When no one understands your love
It's unsung, and I say
Goodnight, my love, to every hour in every dayGoodnight, always, to all that's pure, that's in your heart
