

# Farewell and Goodnight

## Birdy

Goodnight, to every little hour that you sleep tight  
May it hold you through the winter of a long night

And keep you from the loneliness of yourselfHeart strung is your heart frayed and empty  
Cause it's hard luck,

When no one understands your love  
It's unsung, and I say

Goodnight, my love, to every hour in every dayGoodnight, always, to all that's pure, that's in your heart
